# The Long March Framed - a video collection

In celebration of the 20<sup>th</sup> anniversary of Videotage

It is not only celebration of Videotage anniversary, but the long road of Hong Kong independent video artists, the Pearl of Orient in moving frames.

The premiere of this collection will be held at the Hong Kong Arts Centre in December 2005.

The program will then tour around the world. Parties interested in distributing the program, please contact us via email. Rental fee might be waived on a case-by-case basis.
